Property Description

- **Prime Commercial Office Space**
- **Conference facilities available onsite**
- **Brand new End of Trip**

Northpoint Tower, a landmark commercial building managed by Cromwell Property Group, has come to the completion of a major reinvented retail precinct with specialty stores, a new food court, a hotel with pool and conference facilities. As part of the redevelopment brand new End of Trip Facilities and roof top bar "Green Moustache" have recently opened.

Making the most of its pivotal corner located on Miller Street and the Pacific Highway the commercial axis of North Sydney, Northpoint is the North Shore's most anticipated commercial address.

This high quality building offers 34 levels of office space featuring brilliant natural light, harbour and district views. Concierge and security are based onsite.

There is ample basement car parking, which is operated by Secure Parking. It provides convenient and highly accessible parking for you and your visitors. Coupled with a dedicated goods lift and loading dock, 100 Miller Street caters for the modern and progressive business occupier seeking a solution to their business needs. A great opportunity to join some internationally renowned companies.

We currently have a variety of whole floors and suites available for inspection. A summary of these availabilities are as follows:

702m² – Ground Level (Miller Street): Large retail/Office use. Subdivision potential.

938m² – Level 12: A whole floor comprising over 100 work points in a highly efficient, well-presented fitout. A fantastic value option in the building low-rise.
