Sydney Olympic Park, address available on request

Floor Area:

12.0 m² - 40.0 m²

Property Description

- Fitted out suites from 12m² – 40m²
- Rare Opportunity in Sydney Olympic Park
- Ample allocated and visitor parking

Quad 3 work spaces have been designed to address the need for small businesses looking for more agile ways of obtaining office space, as opposed to conventional office space leasing.

- Cost effective solution
- Includes a common lounge, kitchen/break-out and meet & greet area
- Quality office building in a parkland environment.
- Spaces are available to commence operations immediately

The Sydney Olympic Park Railway Station provides access to Sydney CBD and Parramatta CBD in 35 minutes and 20 minutes respectively. The properties also offer links to M4 and Parramatta Road, providing routes to Sydney CBD and Parramatta.

Furthermore, a number of buses also service the area with a stop situated approximately 200 metres south of the site that offers both city and suburban routes, further linking the area to surrounding localities and CBDs.

The exclusive suburb lies only 13 kilometres* west of the Sydney CBD and 7 kilometres* east of Parramatta. The park offers unparalleled accessibility being located at the axis of Sydney's major East/West and North/South road linkages with direct access to M4 and Centenary Drive.
