

Update: Inspections

The government has changed with COVID-19. We require all property inspections to maintain the health and safety of our agents and all involved individuals.

Inspections - We are still open for business. Inspections will be restricted to private inspections only. All interested parties will need to book in to allocate time before seeing the property. Please refer to the property agent for more information on this matter.

Inspections - We will be bringing the earliest viewing inspections. Please refer to the listing agent of the property being inspected.

Inspection platforms - We have an automatic building reports (AI) available. These have been designed for you. We will ensure you are up to date with the latest updates of the market.

WhatsApp - If you are looking for a property, we will send you the details. You can reach out to us via WhatsApp or call us at any time.

We get back to you. If you have questions don't hesitate to call us or email us at any time.
