This modern workspace is located in Cremorne, the creative heartland of Melbourne. Inspired by the dynamic co-working spaces of New York and Scandinavia, it provides the ideal environment for creative freelancers, entrepreneurs and start ups. The pared-back industrial styling, a tranquil courtyard garden, dedicated meeting rooms and discrete work-spaces instill a sense of productive harmony. Only a short stroll from tram and train lines, the botanic gardens, Swan Street, and of course, some of the finest espresso bars in town to ensure the creative spirit is always fuelled and firing.

The advertised office is perfect for a business for 4 people in a shared office space. If you need more or less space we have furnished and unfurnished offices ready to go from 10sqm - 200sqm all over Australia and New Zealand.
