Package 6

Everything at your fingertips. Consider the potential of these six terrace packages in Wright for your next development. These packaged sites include an affordable requirement and are to be sold separately by tender.

Purchasers will have the opportunity to develop all homes with separate titles and will also gain access to an immediate pool of buyers through the ACT Government's Affordable Home Purchase database.

The sites are perfectly positioned at the suburb's main entry point to leverage the community's connectivity potential.

All sites will be a short walk from two future schools and playgrounds, and just a short drive to the future Leisure Centre and Stromlo Forest Park.
