Floor Area: 209 m²

Property Description

- Perfect for office or medical users
- Incredible exposure and natural light
- Long term leases available

St Leonards Square is perfectly positioned with its prime business location, approximately 200 metres from the new proposed Crows Nest Metro station currently under construction and 400 metres from St Leonards Train Station.

St Leonards Square is in a class of its own and will be much more than a residential, retail and lifestyle destination.

The area is already a buzz of small, medium and larger commercial and retail organisations. With its imminent transformation that will be driven by the adjoining health precinct and investment in government infrastructure, St Leonards Square as your next office location, will not disappoint.

The property is located a short walk from the Royal North Shore Hospital medical precinct (to the West) and the cosmopolitan Crows Nest retail strip (to the South East).

PropertyFox and Knight Frank are proud to present to market this incredible office opportunity within the impressive St Leonards Square development by Mirvac.
