Property Description

Walking distance to Launceston Airport and very easily accessed this modern concrete tilt panel warehouse with automated roller door allows plenty of storage options – household items, motorbikes, jet-skis, a boat, a car, the list goes on and on. The complex is secure with fob access to the main automated gate 24 hours a day. Movement sensor lighting within each unit is a bonus and externally there are power points for common use spaced around the complex. Single unit sizes are approx. 3.5 x 7.88 (internally) for an internal area of approx. 27.58m². There is also a toilet on site available for use.

Please note that the images in the listing are shots of the complex and not necessarily the specific unit.
