What a find, the largest landholding in the heart of Lismore CBD. Lismore is the commercial and regional centre of the Northern Rivers with a regional population of 296,531 (2016), home to the Southern Cross University, St Vincent's Private Hospital, Lismore Base Hospital, numerous Government Departments plus many more.

The North Coast of NSW is experiencing a huge growth and demand for property due to the present trend in the population wishing to move away from the densely populated areas to a more relaxed lifestyle, with zoom meetings becoming the norm, working from home in an idyllic lifestyle makes a lot of sense.

This is a once in a lifetime development opportunity surrounded by the tourism hotspots of Byron Bay, Nimbin, Lennox Head, Evans Head and Ballina. Lismore City, between the rainforest and the sea.
